

Cape Girardeau Fire Department's

Home Safety Survey Program

We want to help you be safe in your home and get to know our community members better.

This program is a voluntary program for homeowners and offers valuable and often life-saving information at no cost.

Smoke Detectors can be provided for those unable to purchase themselves.

Potential Hazards include:

Cooking Hazards
Heating Hazards
Smoking Hazards
Electrical Hazards

Non-Working Smoke Detectors
Building Maintenance
Flammable Liquid Storage
General Safety and Housekeeping

Fact: Residential Fires account for 75% of Fire Deaths and Injuries.

Contact us at pubed@cityofcape.org or call us at 573-339-6795 to set up an appointment.

A fire crew will arrive to evaluate potential fire hazards and provide information to help keep you safe in your home.

The Cape Girardeau Fire Department is dedicated to protecting the lives and property of our citizens and strives to educate and help our citizens in any way possible.
